

Hema Ranjan

Job Position

Lingerie Designer At SOIE

Ginza Industries Limited (2021)

- Actively worked in Lingerie, activewear and swimwear category.
- Research, designing, and building new collection encompassing seasonal trends, theme, color, print from initial ideas to end product.
- Work with whole team to develop and source fabrics and trims relevant for the end use of the selected ranges.
- Work alongside with the Product Team to develop designs from CAD to final end product. This is to include fittings till the final approved sample.
- Review and feedback on lab dips, quality submissions alongside with the Head of Product Development.

An inquisitive mind who is eager to explore the design industry in the field of Intimate wear. I offer a combination of artistic skills and creativity along with being a fast learner.
